Forecast for Tuesday 29 Nov 2022

Weather: Low cloud with valley mist and fog likely this morning, dense in places at first. A dry and rather cloudy day, the best of any brightness during the morning, although low cloud and mist could linger in places before thickening up again this evening.

Chance of cloud-free hill tops above 600m: 50%

Low cloud and visibility: Occasional or extensive low cloud, base 300m or less, but could lift and clear above the tops at times. Visibility moderate or good, but poor or very poor in any low cloud, mist and fog.
